

Pacgate Phase 1 — Optional Services & Add-On Schedule

This schedule is a standalone document, used alongside the following two contracts: - Cubecloud Local AI Hardware Equipment and Standard System Delivery Contract (Contract No.: CUBECLOUD-HWOS-2026-P01) - Cubecloud Legal Agent Application Customization Service Contract (Contract No.: CUBECLOUD-LEGALAGENT-2026-P01)

None of the services listed in this schedule are included in the fixed delivery scope of the above two contracts. Checking a box indicates Party A's intent to enter into the corresponding standalone Service Order. Service Orders are signed concurrently with the two contracts and carry equal legal effect. Unchecked items incur no cost or obligation.

Already Included in Fixed Delivery (for reference only — no selection needed)

Service Item	Duration	Cost
First-delivery on-site installation and training	3 business days	Included at no extra charge (travel reimbursed at cost)
Cubecloud Standard AI Layer + Agent OS Surface annual licensing and software environment support	Year 1	Included at no extra charge

1. Remote Advisory Services

Signing document: Cubecloud Remote Advisory Service Order Rate: CNY 500 / hour Prepaid package validity: 12 months from the date of the Service Order Service Orders are signed concurrently with the two contracts and carry equal legal effect

Select	Service Item	Unit / Package Price	Notes
	Hourly billing	CNY 500 / hour	Monthly reconciliation, post-paid
	20-hour remote advisory reserve	CNY 10,000	Prepaid, valid 12 months
	40-hour remote advisory reserve	CNY 20,000	Prepaid, valid 12 months

Typical use cases: Post-deployment workflow tuning, prompt/playbook adjustments, connector planning and MCP expansion, knowledge base incremental import guidance, Phase 2 technical assessment, system-level remote troubleshooting.

2. Annual Licensing & Software Environment Renewal

Signing document: Annual License Renewal Order Year 1 is included in fixed delivery; billing starts from Year 2

Select	Service Item	Unit Price	Notes
	Annual licensing & software environment renewal (Year 2 onwards)	CNY 4,400 / year / 2 units	Covers Standard AI Layer + Agent OS Surface licensing, software updates, and basic operational support (priced at 25% of initial license fee)

3. On-Site Support Services

Signing document: Cubecloud On-Site Service Order Travel extra (transport and accommodation reimbursed at cost)

Select	Service Item	Unit / Package Price	Notes
	Day rate billing	TBC / day	8 hours/day; rate to be confirmed by both parties
	Hourly billing	TBC / hour	Rate to be confirmed by both parties
	5-day on-site support package	CNY 43,200 (reference price)	Can be split across visits; valid 12 months

Typical use cases: System upgrade and performance tuning (on-site), advanced training workshops, on-site troubleshooting, new hardware/peripheral integration and verification.

4. Fee Summary

Category	Amount	Payment Method
Two-contract fixed delivery subtotal	CNY 119,600	60% / 30% / 10% milestone payments
Remote Advisory Service Order (if selected)	Per selection	One-time payment within 5 business days of signing
Annual License Renewal (if selected)	CNY 4,400 / year	Payment before each renewal date
On-Site Service Order (if selected)	Per selection	Payment within 10 business days of service completion

Selection Confirmation

Party A Authorized Representative	— — — —
Notes	— — — —

Upon checking and signing this schedule, the parties will enter into the corresponding standalone Service Orders based on the selections made. Each Service Order is signed concurrently with the two contracts and carries equal legal effect, independent of one another.

This schedule does not constitute an independent contract. Specific rights and obligations are governed by the Service Orders subsequently signed by both parties.

Cubecloud Remote Advisory Service Order

This Service Order is a standalone agreement, referencing but not modifying the following master contracts: -
Cubecloud Local AI Hardware Equipment and Standard System Delivery Contract (Contract No.:
CUBECLOUD-HWOS-2026-P01) - Cubecloud Legal Agent Application Customization Service Contract
(Contract No.: CUBECLOUD-LEGALAGENT-2026-P01)

The services under this Order are not part of the fixed delivery scope of the above two contracts. This Order may be signed concurrently with the master contracts or separately before Phase 1 final handover. Service Orders are signed concurrently with the two contracts and carry equal legal effect.

1. Party Information

Field	Content
Party A (Client)	— — — —
Party B (Service Provider)	Cubecloud Limited
Referenced Master Contracts	CUBECLOUD-HWOS-2026-P01 / CUBECLOUD-LEGALAGENT-2026-P01
This Order No.	CUBECLOUD-ADVISORY-2026-____

2. Scope of Services

Party B shall provide the following remote advisory services to Party A:

- Post-deployment workflow tuning (prompt, playbook, workflow adjustments)
- Connector planning and MCP expansion guidance
- Structured guidance for incremental knowledge base imports
- Phase 2 technical assessment and recommendations
- System-level remote troubleshooting (non-hardware)
- Other remote advisory work confirmed in writing by both parties

Expressly excluded: Hardware fault repair (covered under HWOS contract warranty), on-site support (separate On-Site Service Order), handover briefings and initial workflow demonstrations within fixed delivery scope.

3. Service Method and Response

Item	Agreement
Service method	Remote (video conference, remote desktop, email, instant messaging)
Working hours	Business days 10:00-18:00 (Beijing time), excluding public holidays
Response time	Within 3 business days of Party A's written request
Minimum billing unit	0.5 hours

4. Rates and Prepaid Packages

Option	Unit / Package Price	Quantity	Subtotal
Hourly billing	CNY 500 / hour	_____ hours	CNY — —
20-hour prepaid package	CNY 10,000	1 package	CNY 10,000
40-hour prepaid package	CNY 20,000	1 package	CNY 20,000

Prepaid package validity: 12 months from the date of this Order. Unused hours expire automatically upon expiry and are non-refundable. Hours exceeding the prepaid package are settled post-hoc at CNY 500 / hour.

5. Payment

Item	Agreement
Payment method	Prepaid packages: one-time payment within 5 business days of signing; hourly: payment within 10 business days of monthly reconciliation
Invoicing	Party B shall issue a VAT invoice within 10 business days of receiving payment
Tax	Amounts in this Order are stated on a VAT-exclusive basis; if Party A requires a VAT invoice, the tax shall be borne separately by Party A

6. Validity and Termination

Item	Agreement
Order validity	12 months from the date of signing, or until prepaid hours are exhausted (whichever is earlier)
Early termination	Either party may terminate with 30 days' written notice; unused prepaid hours refunded on a pro-rata basis
Post-termination obligations	Confidentiality, data return, and dispute resolution provisions survive termination

7. Governing Provisions

Matters not stipulated in this Order shall be governed by the relevant provisions of the master contracts (including but not limited to confidentiality, intellectual property, force majeure, governing law, and dispute resolution).

Cubecloud Annual License Renewal Order

This Service Order is a standalone agreement, referencing but not modifying the following master contracts: -
Cubecloud Local AI Hardware Equipment and Standard System Delivery Contract (Contract No.: CUBECLOUD-HWOS-2026-P01) - Cubecloud Legal Agent Application Customization Service Contract (Contract No.: CUBECLOUD-LEGALAGENT-2026-P01)

The services under this Order are not part of the fixed delivery scope of the above two contracts. Year 1 licensing and support is included in fixed delivery; this Order covers annual renewal from Year 2 onwards.

1. Party Information

Field	Content
Party A (Client)	- - - -
Party B (Service Provider)	Cubecloud Limited
Referenced Master Contracts	CUBECLOUD-HWOS-2026-P01 / CUBECLOUD-LEGALAGENT-2026-P01
This Order No.	CUBECLOUD-LICENSE-2026-____

2. Scope of Services

Party B shall provide the following annual licensing and software environment support to Party A:

- Cubecloud Standard AI Layer license renewal (2 units)
- Cubecloud Agent OS Surface license renewal (2 units)
- Software updates and version upgrades
- Basic operational support (remote)

Expressly excluded: Hardware fault repair (covered under HWOS contract warranty), on-site support (separate On-Site Service Order), remote advisory services (separate Remote Advisory Service Order), new feature custom development.

3. Service Method and Response

Item	Agreement
Service method	Remote (software update delivery, remote operational support)
Working hours	Business days 10:00-18:00 (Beijing time), excluding public holidays
Response time	Within 3 business days of Party A's written request

4. Rate and Billing Cycle

Item	Agreement
Annual license and software environment renewal	CNY 4,400 / year / 2 units (priced at 25% of initial license fee)
Billing cycle	Annual, starting from Year 2

Item	Agreement
Year 1	Included in two-contract fixed delivery at no extra charge

5. Payment

Item	Agreement
Payment method	One-time payment within 30 days before each renewal date
First renewal date	12 months from Phase 1 final handover completion
Invoicing	Party B shall issue a VAT invoice within 10 business days of receiving payment
Tax	Amounts in this Order are stated on a VAT-exclusive basis; if Party A requires a VAT invoice, the tax shall be borne separately by Party A

6. Validity and Termination

Item	Agreement
Order validity	12 months from the first renewal date; automatically extended for 12 months upon each annual renewal
Non-renewal	If Party A provides written notice of non-renewal 30 days before the renewal date, this Order terminates on expiry; software licensing and operational support cease upon termination
Early termination	Either party may terminate with 30 days' written notice; paid but unexpired fees refunded on a pro-rata basis
Post-termination obligations	Confidentiality, data return, and dispute resolution provisions survive termination

7. Governing Provisions

Matters not stipulated in this Order shall be governed by the relevant provisions of the master contracts (including but not limited to confidentiality, intellectual property, force majeure, governing law, and dispute resolution).

Cubecloud On-Site Service Order

This Service Order is a standalone agreement, referencing but not modifying the following master contracts: -
Cubecloud Local AI Hardware Equipment and Standard System Delivery Contract (Contract No.:
CUBECLOUD-HWOS-2026-P01) - Cubecloud Legal Agent Application Customization Service Contract
(Contract No.: CUBECLOUD-LEGALAGENT-2026-P01)

The services under this Order are not part of the fixed delivery scope of the above two contracts. This Order may be signed after the master contracts, upon confirmation of actual on-site service requirements.

Note: The 3 business days of first-delivery on-site installation and training are already included in the two-contract fixed delivery at no extra charge and do not require this Order.

1. Party Information

Field	Content
Party A (Client)	— — — —
Party B (Service Provider)	Cubecloud Limited
Referenced Master Contracts	CUBECLOUD-HWOS-2026-P01 / CUBECLOUD-LEGALAGENT-2026-P01
This Order No.	CUBECLOUD-ONSITE-2026-____

2. Scope of Services

Party B shall provide the following on-site support services to Party A:

- System upgrade and performance tuning (on-site)
- On-site workshops and advanced training
- On-site troubleshooting and issue reproduction
- New hardware / peripheral on-site integration and verification
- Other on-site work confirmed in writing by both parties

Expressly excluded: First-delivery 3 business days on-site installation and basic training (already in fixed delivery), hardware manufacturer warranty repairs, remote advisory services (separate Remote Advisory Service Order).

3. Service Location and Conditions

Item	Agreement
Service location	Party A's Beijing office (or other location confirmed in writing by both parties)
Party A-provided conditions	On-site power, network, monitors, rack space, and necessary office environment
Party B personnel	1-2 engineers, depending on service scope

4. Rates

Option	Unit / Package Price	Quantity	Subtotal
Day rate billing	CNY — / day	— days	CNY — —
Hourly billing	CNY — / hour	— hours	CNY — —
5-day on-site support package	CNY 43,200 (reference price)	1 package	CNY — —

Day rate is based on 8 hours/day; partial days are calculated on an hourly basis. 5-day package may be split across visits; valid 12 months from the date of this Order.

5. Travel

Item	Agreement
Transport	Reimbursed at cost (economy class / second-class high-speed rail, or other standard confirmed in writing by both parties)
Accommodation	Reimbursed at cost (business hotel standard, or other standard confirmed in writing by both parties)
Meal allowance	Per Party B's travel policy or standard confirmed in writing by both parties
Settlement	Travel expenses are not included in the service fee and are settled separately against receipts

6. Payment

Item	Agreement
Payment method	One-time payment within 10 business days of service completion (or within 5 business days of signing for prepaid packages)
Invoicing	Party B shall issue a VAT invoice within 10 business days of receiving payment
Tax	Amounts in this Order are stated on a VAT-exclusive basis; if Party A requires a VAT invoice, the tax shall be borne separately by Party A

7. Cancellation and Rescheduling

Item	Agreement
Party A cancellation	No charge with 5+ business days' written notice; within 5 business days, Party B's incurred travel costs shall be borne by Party A
Party B cancellation	No charge with 5+ business days' written notice; Party B shall assist with rescheduling
Rescheduling	New service dates to be confirmed by both parties

8. Validity and Termination

Item	Agreement
Order validity	12 months from the date of signing, or until all agreed services are completed (whichever is earlier)
Early termination	Either party may terminate with 30 days' written notice; paid but uncompleted services refunded on a pro-rata basis
Post-termination obligations	Confidentiality, data return, and dispute resolution provisions survive termination

9. Governing Provisions

Matters not stipulated in this Order shall be governed by the relevant provisions of the master contracts (including but not limited to confidentiality, intellectual property, force majeure, governing law, and dispute resolution).
